Reparations Actions Speakers
Updating on Reparations Campaigning

Come and have your say, adding your voice
to that of others taking ACTION for
REPARATIONS!

****THIS IS NOT A MARCH!**

On the 1st of Mosiah, join the Groundings to reason
collectively about what we are willing to do to effect
and secure holistic reparatory justice, how we
account for what is owed, what is to be repaired and
share info on what reparations solutions you are
already working on.
